Vista la delibera del C.I.P.E. in data 27 luglio 1971;

Visto l'art. 2 del decreto-legge 4 maggio 1977, n. 187, convertito in legge 11 luglio 1977, n. 395, che rende operativo, con decorrenza 1° giugno 1977, il nuovo metodo di determinazione dei prezzi delle specialità medicinali;

Vista la delibera del C.I.P.I. in data 6 maggio 1981;

Vista la delibera del C.I.P.E. del 27 luglio 1978;

Viste le domande inoltrate ai sensi della richiamata delibera C.I.P.E. ed in ottemperanza a quanto disposto dalle circolari C.I.P. numeri 1810 del 31 gennaio 1979 e 21151 del 6 dicembre 1979, ai fini del riconoscimento dell'aliquota di ricerca a livello prodotto;

**Delibera:**

1) Il costo della manodopera da considerare ai fini della determinazione e revisione dei prezzi delle specialità medicinali, è aggiornato a decorrere dal giorno successivo a quello della pubblicazione del presente provvedimento nella *Gazzetta Ufficiale* come segue:

a) costo mano d'opera L. 12.700/ora.

Con pari decorrenza avranno applicazione i prezzi delle specialità medicinali compresi nell'allegato A. Tali prezzi sono comprensivi di IVA.

2) Tenuto conto dei problemi derivanti dalle giacenze di materiali e di prodotti finiti, è consentita la sovrastampa indelebile o l'adozione di un bollino trasparente autoadesivo recante il nuovo prezzo e gli estremi del provvedimento C.I.P. n. 14/1982 da sovrapporre — fino ad esaurimento delle scorte — alla fustella o etichetta originale che consenta di identificare chiaramente questi ultimi con particolare riguardo al nome del prodotto.

Il bollino in questione, una volta applicato, non potrà essere asportabile se non deteriorando la fustella o l'etichetta originali.

Considerati infine i problemi organizzativi derivanti alla distribuzione dalla simultanea variazione dei prezzi di un così elevato numero di confezioni, per un periodo di centoventi giorni successivi alla data di pubblicazione nella *Gazzetta Ufficiale* del presente provvedimento, le specialità medicinali di cui all'allegato A al provvedimento n. 14/1982, possono essere cedute al prezzo antecedente.

3) Ai fini del provvedimento di registrazione da parte del competente Ministero della sanità, sono fissati i prezzi al pubblico IVA compresa delle specialità medicinali di cui agli allegati B) e C.

Ciascuno dei prezzi deliberati sarà efficace solo dopo la registrazione, quale specialità medicinale, da parte del competente Ministero della sanità del prodotto cui il prezzo stesso si riferisce. Conseguentemente i prezzi in questione saranno pubblicati nella *Gazzetta Ufficiale* contestualmente o in concomitanza con l'emanazione dei decreti di registrazione quali specialità medicinali dei rispettivi prodotti, a mezzo elenco progressivo nel quale sarà riportata la data del presente provvedimento ed il numero progressivo dell'elenco.

4) I margini di distribuzione da applicare sui prezzi delle specialità medicinali di cui agli allegati A, B e C sono fissati come segue:

grossisti: 8% sul prezzo al pubblico al netto dell'IVA;

farmacisti: 25% sul prezzo al pubblico al netto dell'IVA, detto margine è in ogni caso tassativo, ancorché lo stesso farmacista effettui acquisti diretti alla produzione.

Roma, addì 29 aprile 1982

*Il Ministro-Presidente delegato*
